Dear Food Inspector Applicant:

This letter is to announce **Recruitment Bonuses ranging from \$2,500.00 up to 25% of Base Pay!** These bonuses differ by location, and are pre-established based on hiring needs. Bonus amounts apply only in certain locations, and they are not negotiable. This bonus is being offered to food inspector eligibles who are **not** current Federal employees (former employees must have had a break in service of 90 days or more) and who will accept a position in the locations on the attached sheet.

To be eligible for this bonus, you must meet a number of requirements. You must first submit your application and test card, be found qualified to take the food inspector test, and then take and pass the test at any scheduled test location. When taking the test you will be asked to select up to five geographic areas where you would be interested in working, provided you pass the test. See the attached sheet for the zones corresponding to the locations identified to receive the bonuses.

If you pass the test, you will then be available for full-time food inspector vacancies in those areas. If you are formally selected for a vacancy in one of the locations listed on the attached sheet and you begin working, we will process the recruitment bonus at that time.

This hiring incentive only applies to those accepting positions in the locations listed on the attachment; those accepting this bonus will be required to sign an agreement stating that they will remain with the agency for at least a year; this incentive will be offered until hiring needs are met in these areas.

Sincerely,

Thomas C. Reimler
Supervisory HR Specialist
Human Resources Field Office
